The Federal Emergency Management Agency (FEMA) provides financial assistance to states, territories, tribes, local governments, nonprofits, institutions of higher education, and other non-Federal entities. All FEMA grant programs are subject to the Federal procurement standards found at 2 C.F.R. §§ 200.317 – 200.326.

This 1-hour training will help participants understand how to properly contract during emergency or exigent circumstances when using federal funds.

**Target Audience:**
State, local, and tribal emergency management personnel, houses of worship, and private nonprofit entities; Public Assistance applicants

**Topics include:**
Sole sourcing under Emergency or Exigency (E&E); additional procurement under grant requirements under E&E; use of pre-existing contracts during E&E

**Delivery Format:**
Online training through Adobe Connect. **If you have never used this platform, test your connection in advance:**

Training dates and access information are provided below.
